THINGS TO  
DO AT

# Karawatha Forest Discovery Centre

149 Acacia Road, Karawatha

- 1 Go for a bushwalk adventure**  
Be a nature detective and see if you can use clues to guess what animal lives here. Draw the track marks you find. Can you guess which animal they belong to?
- 2 Test your senses in our night-time experience room**  
Sit quietly in the night-time experience room. What can you hear? What can you see? Learn what animals come out to play while you're sleeping!
- 3 Get creative at the craft table**  
Explore your imagination and create your very own forest creatures from recycled natural materials. Decorate paperbark or colour in a picture to take home and treasure!
- 4 Have a picnic**  
Pack a yummy picnic lunch so that you can enjoy the sunny weather and roll in the grass with your friends! Don't forget to pack your hat!
- 5 Watch the birds**  
If you sit quietly, you'll notice that birds begin to fly and perch closer and closer to you. Watch as they hunt for food, feed their babies and sing. What type of birds do you think they are?
- 6 Play at Queensland's first outdoor nature play space**  
Go wild in our natural outdoor fun zone. Bring your friends for water play, climb rocks and logs, conquer cubby houses and explore discovery trails.
- 7 Watch an interactive frog habitat floor projection**  
Hop on over and have a look at the frog floor projection, but mind your step...these frogs like jumping around!
- 8 Spot the stick insects**  
Did you know that stick insects hold the record for the longest insects in the world? We have quite a few stick insects in the Discovery Centre. Can you spot them all?
- 9 Borrow some play equipment**  
Ask our friendly staff about borrowing toys and play equipment for park play. There are badminton sets, hoola hoops, musical instruments, skipping ropes, buckets and spades, and much more!
- 10 Participate in workshops**  
Visit the front desk or go online to get a list of our fun-filled events and activities. Most are free but some require bookings. Secure your fun-filled day now!
