

10 THINGS TO DO

GOLD COAST

Jellurgal Aboriginal Cultural Centre

- Go on a guided tour to learn about the Aboriginal history and culture of the Gold Coast.

David Fleay Wildlife Park

- The only wildlife park you can see the Bridled Nailtail Wallaby - thought to be extinct for over 30 years!

Springbrook National Park

- Part of the Gondwana Rainforests of Australia World Heritage Area.

Currumbin Rock Pools

- A great place for a family picnic and for big and little kids to test their bravery and climb the rocks!

Join the NaturallyGC Junior Wild Defenders Program

- Grab your educational booklet to learn how to take action to preserve nature and learn about the importance of the native flora and fauna.

Tamborine Mountain Glow Worm Tour

- Did you know that glow worms are only found in Australia and New Zealand?

Gold Coast Regional Botanic Gardens

- Explore the Sensory Garden and hang out in the Native Butterfly Garden

Beach Day

- With so many amazing beaches, a beach day is a must! Check out Tallebudgera for some family friendly fun.

Mt Barney

- Mount Barney Lodge offers some fun activities for whole family - a great way to immerse yourself in nature.

Greenmount Beach Headland

- Go for a walk around the headland for some amazing wildlife spotting. Keep your eye out for the lizards!
